Bienvenu to the nursery in Vaujany, where your child will be welcomed to the very best environment for their care and looked after by a fully qualified team of staff. To maintain our high standards of care, we are subject to all the relevant French statutory regulations, as per the following guidance:

Opening hours: From 9hr to 17hr (every day in the ski season, closed on Sunday in summer).
We are pleased to accept children from 6 months to 6 years old. We can accommodate up to 40 children.

Enrolment: This must be done on the day before or on the first day of your child's attendance. The enrolment process will take just a few minutes. The manageress will be present between 9hr-11hr and again between 15hr-18hr on Saturday and Sunday to complete the necessary paperwork.

Please bring:

- Proof of your identity (photo card driving licence/passport)
- Health record (red book) for your child. He or she must be immunized for DT, POLIO and TETANUS.

Please note that without your red book, or a fax copy of it, we will be unable to admit your child to the crèche.

We therefore recommend that you fax through an advance copy of the vaccination pages of your child's red book to the crèche before you arrive. This way, if you should forget the red book, we have the fax copy to fall back on.

Illness: We are very sorry, but in case of illness, your child cannot be accepted. Medicine can only be given on evidence of prescription from your GP.

Attendance: For the first day, to allow your child to adapt to the new environment, attendance **is for a half-day only**. During the rest of the week, and for the benefit of all the children attending, you must drop off your child before 10hr for the morning session and before 14hr30 for the afternoon. We are unable to admit your child outside these hours.

Prices: We are pleased to accept payment by cash or cheque (drawn against a French bank account only):

Unless the infant's milk is sold in liquid form, please do not pre-mix, but bring dry milk powder instead. Please give us as much advance warning as possible of any special dietary needs.
